Dr. Henry E. McCullough

CISCO JUNIOR COLLEGE

CISCO, TEXAS 76437

Dear Students:

College is a time of change - change in personality and attitude that will remain an integral part of you for a lifetime, just as your record of achievement will follow you throughout your career. New friendships are made and increased responsibilities are added.

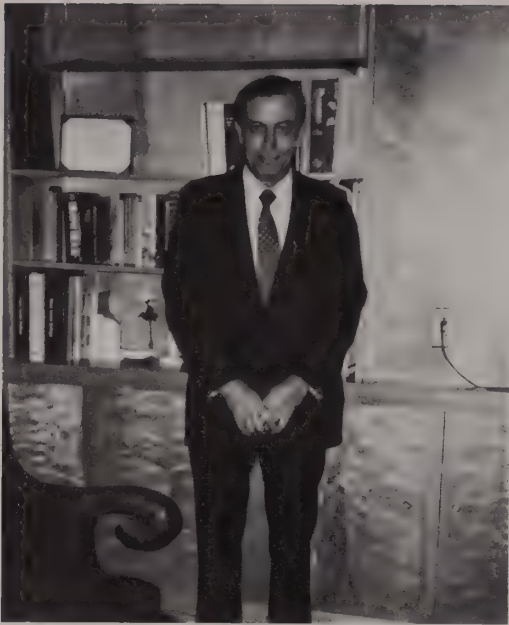

I hope that you were able to participate in all of the college functions, enjoyed all of the student activities, and were serious about the main objective of learning. Your growth as a more complete person was your reward.

Sincerely,

A handwritten signature in cursive script that reads "Henry E. McCullough". The signature is fluid and elegant, with a long, sweeping underline that extends to the right.
